Dear Business Owner,

Central Oregon Shows, through creative thinking, has been concentrating on new ways to bring excitement by creating more tourism and business through community events since 2001. The formula is simple. We work with one another as a team, open our minds and think outside the box. It is a proven fact, that events will create curiosity, attract local residents and stop those tourist travelers, who would not normally stop. The hardest part is to get potential customers out of their cars. Once that is accomplished the doors of opportunity are endless.

We would like to personally invite your business to consider the idea of partnering through one or more of our nine events lined up for 2019. Five events will take place in Sisters and two in Redmond.

Central Oregon Shows offers the opportunity to elevate your presence within the community through all of the above events (detailed below). These Partnership Opportunities will increase the visibility of your brand, enable you to network with a wide variety of community members, and to further your business relations.

To facilitate these connections, we have created a selected variety of Partnerships for you to choose from. Each of these are designed to maximize your business exposure *before, during* and *after* our events. Promotional opportunities include coverage in the event promotion materials, on our event website, onsite at the event and as part of our social media and marketing package. All of these are designed to extend the life, memorability and value of your relationship with Central Oregon Shows.

This packet contains the information you need to select your partnership opportunities that are a good fit for you and your business. Partner Opportunity funds are used strictly for the operation of the events.

To secure your Partnership Opportunity, please complete and return the enclosed 2019 agreement along with the form indicating your advertisement level and dollar amount to: Central Oregon Shows; P.O. Box 1555; Sisters, OR 97759. All Partnership Opportunities are limited and will be evaluated on a first come, first serve basis.

Thank you,

Richard Esterman, *owner*

Shauna Harris, *manager*
